

Robert and Kelly Simonetti are the founders of Robert's Fisheries Ltd.

Robert's family have been involved in the Torbay fishing industry for generations. The experiences of his childhood, lead Robert to develop his wholesale and retail fishing business in 1988, now situated in Brixham's newly developed multi-million pound fish quay. Robert's Fisheries starting trading in the Markets of London. The success of this venture provided the foundations to open their retail shop in Paignton, where they stayed for 20 years before relocating to the New Fish Market in Brixham in 2009.

Robert's Fisheries aim to supply the finest quality of fresh Brixham fish and shellfish. Maintaining the highest standards at all times. A core principle of the family business is to support the local fishing industry, with Brixham being our primary port.

In April 2011, Robert and Kelly decided to open a fish and chip restaurant "Simply Fish", using all fresh fish primarily landed on Brixham Market. Also promoting local sustainable species like 'pout', a lovely white flaked fish that is very similar in taste to Cod.

The Restaurant is now in it's fourth year and continues from strength to strength.

Robert and Kelly have now purchased the Bistro two doors up, it has more seating and some outside tables. The menu is slightly different but still the emphasis on fresh Fish from the market, and a nice steak too!

They plan to create a New York Oyster Bar feel to the new place for next year !

Thank you for your continued support.
